

All In This Together

Lesson Adaptations to Reach Every Child

Notes for Lesson 10

1 Welcome

Set up a "Welcome Table" displaying items that represent different holidays.

Whisper "holiday means holy day" in a student's ear and have them pass the message around the room. Say the phrase together at the end!

Play Five Questions to have students guess each other's favorite holiday.

Invite students to choose an item from the Welcome Table and share with the class what holiday it reminds them of.

My Ideas

2 Bible Time

Display a completed *In Class 10* paper for students to use as a reference.

Ask the students to share two details about each sticker. Students may comment on the picture or text.

Work together with your students to choose a hand motion to represent each sticker.

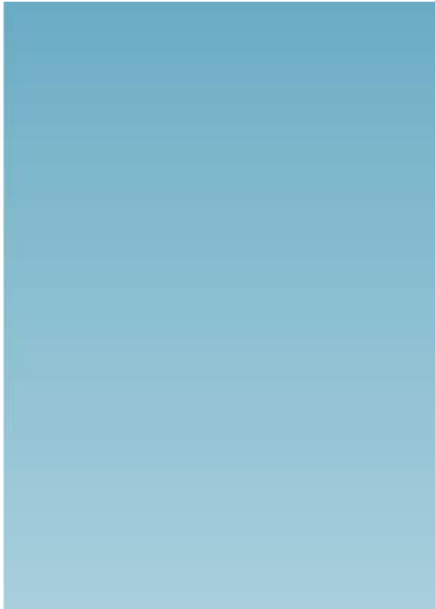

Simplify It! Student Booklet

My Ideas

3 Explore and Apply

Tip: Writing short key points on the board will help students begin to understand the direction of the lesson. Put a check mark next to the point after you have discussed it.

See General Tips and Strategies.

Assign the following words for students to act out: *thankful, joy, rest, worship, communion.*

Provide a word bank for “The Lord’s Day” *In Class 10* paper.

My Ideas

4 Memory Work

Tip: If using visuals, give students an opportunity to get a close-up look.

As a teacher, you can use your voice as a tool to engage students. Consider your tone, volume, pitch and creative interpretation.

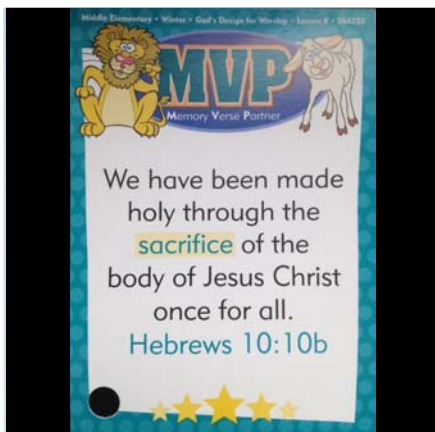

Tip: Get everyone involved. Standing, tapping, passing, closing, opening, covering and so much more. Students even love to see their teachers participating in activities!

Using a highlighter, shorten the Bible verse on the MVP card.

My Ideas

5 Final Focus

See General Tips and Strategies.

Plan ahead to bring a copy of the Doxology to play for your students to hear.

Add hand motions.

Draw a star next to only one or two activities you would like your student to complete in the *At Home* paper. Choose activities that would be achievable by the student or student and parent.

If a student used the *Simplify It!* Student Booklet in the Bible Time, send home a copy of the book.

My Ideas
