Lesson Adaptations to Reach Every Child

Notes for Lesson 9

1 Welcome

Show a calendar to students and tell them that, in addition to sacrifices, God chose several days to be holy days.

See General Tips and Strategies.

Instead of asking review questions, recap last week's lesson with one to two key points.

My Ideas

2 Bible Time

Cover the five images on Teaching Aid 9 and reveal pictures as you talk about it.

Ask the students to describe what they see in the pictures.

Using extra visuals, cut out pictures 1-5 on Teaching Aid 9 and have students put them in order.

Simplify It! Student Booklet.

My Ideas

3 Explore and Apply

Draw a cross on the board to refer to as you talk about paragraph one of Explore and Apply (Teacher Guide, page 69).

Ask students to share ideas before completing “Drawing Near to God”, *In Class 9* paper, page 4.

Act out student’s ideas from “Drawing Near to God”.

Offer a coloring page of a congregation singing or praying.

My Ideas

4 Memory Work

Use a blank sheet of paper to cover the portion of Teaching Aid 1 that you are not using.

Say the first section and have students repeat.

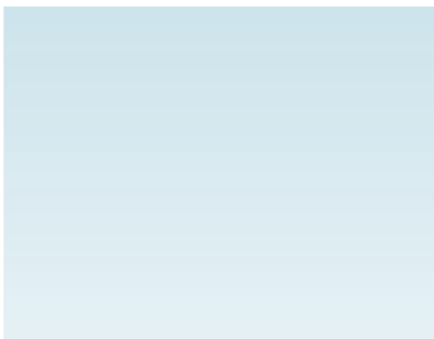

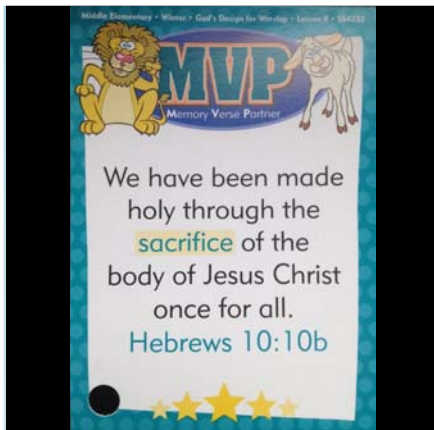

Stand in a circle when learning the sign for sacrifice so that students can learn from watching each other.

Using a highlighter, shorten the Bible verse on the MVP card.

My Ideas

5 Final Focus

See General Tips and Strategies.

Summarize Lesson 9 in a few short sentences. Use lesson focus points in the Teacher Guide, page 65.

See General Tips and Strategies.

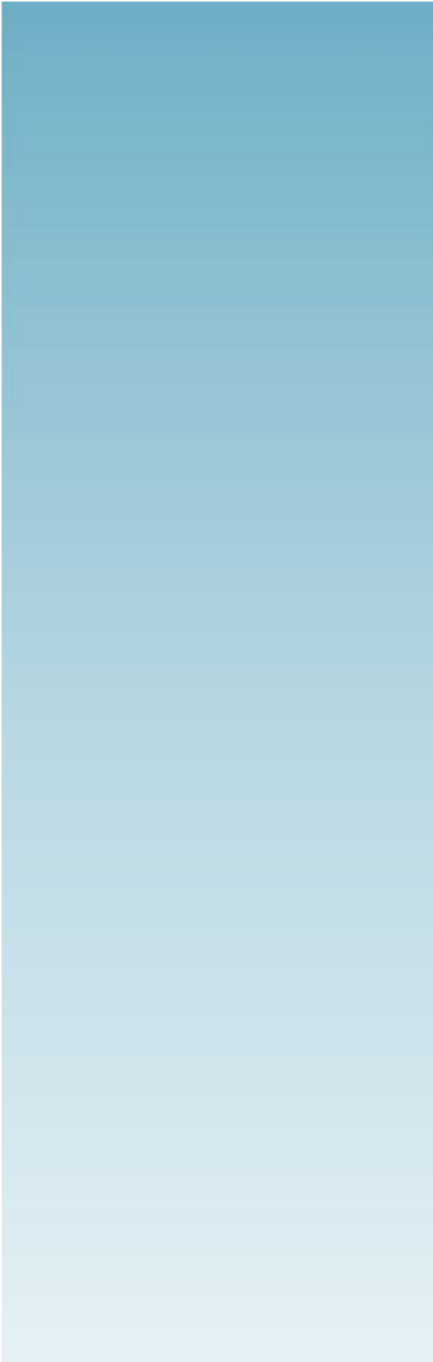

Draw a star next to only one or two activities you would like your student to complete in the *At Home* paper. Choose activities that would be achievable by the student or student and parent.

If a student used the *Simplify It!* Student Booklet in the Bible Time, send home a copy of the book.
